Life's Good when you create an impact

Projector Leaflet Outside

KEY FEATURES

Easy File Viewer

File viewer function enables user to show Powerpoint, Word, Excel & PDF file by simply inserting USB memory to projector without converting the original file to JPEG.

PPT FILE

EXCEL FILE

Easy USB Connectivity

Now watch your favourite movies (DivX), listen to music (MP3) and view images (jpeg) just by inserting USB memory directly into the projector.

Brilliant Color™

Brilliant Color™ Technology provides increased brightness in non-primary colors and boosts overall color intensity by amplifying mid-tone color.

3D Optimizer

One & only real perfect solution available for 3D projection. LG Projector's 3D Optimizer makes BX327 compatible with various 3D formats.
